STATINTL Subject: Request for Release of Technical Data

Attention: [redacted]

Dear Temp:

STATINTL

STATINTL Attached hereto please find a tabulated listing of the various physical and electrical characteristics of the [redacted] system. It is requested that this Contractor be permitted to utilize the attached data or designated portions thereof as part of an engineering study presently being conducted for [redacted] [redacted]

STATINTL

STATINTL Please be advised that this Contractor under a contract with [redacted] is presently compiling overall statistics relative to the various reconnaissance systems that we have developed. By this study it is intended that [redacted] or others be able to exact particular requirements from this overall capability should the need for an exotic system arise.

STATINTL Be advised that the data will be presented in a general manner and no mention is to be made of the specific program or vehicle that the [redacted] is associated with.

Favorable endorsement of this Contractor's request will be sincerely appreciated. In the event additional information is required, please contact the undersigned.

Regards,

Jim
